

# HANFORD HIGH SCHOOL DRAMA BOOSTERS 2016-2017 MEMBERSHIP FORM

The mission of the Hanford High Drama Boosters is to build students intellectually, emotionally, physically, spiritually, and artistically through support of the Drama Program. Typically four to five shows are presented each year. The Boosters organize parent volunteers to support these productions. We provide support for everything from lights and sound to costumes, sets and props. The students run the show while the parents mentor and support their efforts.

The Drama Boosters raise funds through membership fees, concession sales, and fundraising events such as the annual Dessert Theatre. We support student fundraising through various activities such as Fame Camp and car washes. Funds raised are used for scholarships (over \$39,000 in 2015 and over \$45,000 in 2016,) transportation to events such as the Shakespeare Festival in Ashland, Oregon, and production materials (e.g. fabric for costumes, paint for sets), and lunch for set construction volunteers.
